

Workshop and Network Event on Language Generation and AI

13 December 2023

AIAS
AARHUS INSTITUTE
OF ADVANCED STUDIES

Program

Part I

For those who are already actively working with text generation and language models in their work, research, or teaching, and would like an opportunity to exchange and workshop ideas within the same domains:

13-15	<u>Workshops on special interests</u>
13-13.15	Welcome: <i>Framing LLMs today</i>
13.15-15	Groupwork: workshop leaders facilitate an exchange of ideas and experiences in the domains: <ol style="list-style-type: none">1) State of LLMs and a Danish foundation model2) Teaching3) Research with LLMs4) Productivity and organizations
15-15.15	Short responses from the workshop groups
15.15-16	Plenary: <i>The need for institutional policies</i>

Part II

For those who are curious about the work happening at CLAI, want to learn more about text generation and language models, or want to learn about potential connections and applications in their own work:

16-18	<u>Reception and lightning talks</u>
16-16.10	Welcome
16.10-17	Lightning talks, 5 stations. Each participant can attend 3 of the stations: <ol style="list-style-type: none">1) Language Model Performance and Development2) Human Creativity and Thinking3) Cognitive Science and Linguistic Research4) Pedagogical Application5) Trust and Authority
17-18	Networking, drinks & snacks
